

# Lawn Care Program

## Full Season Lawn Maintenance With Our Guaranteed Lawn Program

It's time to start planning that perfect lawn. You keep saying you'll do it next year - and now it's next year! Our *Guaranteed Lawn Program* is designed to keep your lawn in the best possible health throughout the season. Our trained staff will inspect your lawn and develop a plan for optimal lawn care and health. Our program includes:

- ***First Application*** - Balanced Fertilization, Preventive Crabgrass Control, Broadleaf Weed Control
- ***Second Application*** - Time Release Fertilization, Broadleaf Weed Control
- ***Third Application*** - Pro-Active Preventative Billbug Control
- ***Fourth Application*** - Time Release Fertilization, Broadleaf Weed Control as needed
- ***Fifth Application*** - Fall/Winter Fertilization

New Customers - Ask how to receive a 10% discount on your order (mention discount code **web10-lawn** when you call)

Timing the applications is essential to successfully maintaining a healthy lawn. Call now and let our team of professionals including certified arborists take care of your property and create a comprehensive treatment plan for your landscape.

*Customer Satisfaction  
is our Number One  
Priority*
